Re: Lupin Ltd. v. Salix Pharma., Inc., et al., No. 1:22-cv-07656-JHR-RWL

Dear Judge Lehrburger:

We represent Defendant and Counterclaim-Plaintiff Salix Pharmaceuticals, Inc. ("Salix") and Defendant Bausch Health US, LLC (together, "Defendants") in this action. Pursuant to Section I.E of Your Honor's Individual Rules, we respectfully request a one-week extension of time, to November 19, 2024, for the parties to submit their joint status report, which is currently due on November 12, 2024. This is the first request for an extension of time to submit this joint status report. Plaintiff and Counterclaim-Defendant Lupin Ltd. ("Plaintiff") consents to this request.

Good cause exists for this request. I am lead counsel for Defendants. I will be traveling in Asia on business the entire week of November 11, 2024, when the joint status report is currently due. Drafting and finalizing joint status reports require collaboration between counsel for the parties. Because I will be in all-day business meetings and 12 hours ahead of Plaintiff's counsel, an extension of time would be preferable in order to accommodate the logistical challenges raised by the time difference and allow the parties the opportunity to discuss outstanding discovery issues, share drafts of the joint status report, incorporate edits and revisions, and finalize the report.

Thank you for your consideration of Defendants' request.

Respectfully submitted,
